

Raglan Road at the Power and Light District

Raglan Road at Kansas City's new Power and Light district is Kansas City's premier Irish cultural establishment. Featuring authentic Irish cuisine, authentic live music and Celtic dancing, Raglan Road provides an environment true to Irish traditions.

Scope of Services:

- LED Lighting to create desired mood
- State of the art Audio System
- Simple lighting control with pre-programmed effects
- Video integrated into architecture for special events, hidden the rest of the time.
- Architectural lighting/dimming system

Lighting and audio control is completely automated while allowing personal operation during live performances.

Harvest Productions is a Sound, Lighting, Video, Networking and Acoustics integration company located in Kansas City, Missouri. In addition to System's integration Harvest is also a full production company with the capabilities to meet the needs of almost any audio visual project with quality equipment and resources.
