

WaterFire 2008

Event Description:

Designed by award-winning artist Barnaby Evans, WaterFire Kansas City is a unique, multi-sensory experience of music, fire and water. There are 55 floating bonfires on Brush Creek combined with operatic performances, performances by Quixotic, firebreathers and a lighting ceremony. This event was held on Saturday, October 25.

Event Challenges:

- Supplied sound along Brush Creek for 4 blocks
- Audio and Lighting for a performer in a boat
- Lighting performers in the crowd

Equipment used:

- Follow Spot
- Meyer MSL4
- EAW NT Series Speakers
- Yamaha Digital Console LS9
- Shure Wireless Microphones
